PRIMARY EXAMINER

When the present application was filed a simultaneous amendment was filed canceling all claims and adding claims 1-8. The application was originally filed with claims 1-8. Originally filed claims 1-8 were cancelled and new claims 1-8 added by Applicants. Paragraph 5 of the Office Action of July 7, 2003 made objection and renumbered the claims 9-16. Applicant's amendment of October 28, 2003 requested that claims 7-16 be cancelled and that claims 17-26 be added. The Examiner considers claims 17-26 to be active in the application.

In order to clarify which claims are active in the application the following Examiner's amendment is entered:

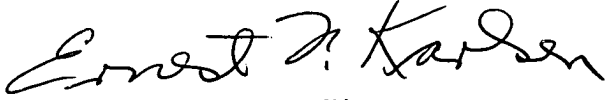

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Based on the file record and what is clearly Applicants' intent all claims other than claims 17-26 if not already cancelled have been cancelled.

Claims 17-26 are allowed.
